## Kelly Mason

**Filmmaker • Impact Entrepreneur • Founder, Kula Paradise Academy**

Kelly Mason is an award-winning filmmaker, pioneering cinematographer, and visionary educator whose work bridges storytelling, consciousness, and global impact. With a career spanning three decades across major studios and independent cinema, Kelly is known for creating projects that catalyze social change, personal transformation, and cultural evolution.

Her environmental documentary *Pave the Road* influenced national legislation and is distributed internationally in over 70 countries and 17 languages. As a cinematographer and producer, she has collaborated with A-list talent and leading studios including Netflix, Warner Bros., Disney, Apple TV, and Berlanti Productions.

Kelly is the founder of **Kula Paradise Academy**, an evolved education platform dedicated to raising emotionally intelligent, self-aware leaders through integrative teachings that unite neuroscience, spirituality, and embodied wisdom.

---

## Areas of Expertise

- Impact Filmmaking & Documentary Storytelling
- Conscious Leadership & Legacy Creation
- Education Innovation & Youth Development
- Spiritual Intelligence & Self-Regulation
- Environmental & Social Justice Advocacy
- Cinematography & Visual Storytelling

---

## Signature Framework
